

June 1, 2018

The International Hobie® Class Association (IHCA), is thrilled to announce that the 22nd Hobie 16 World Championship is in the final stages of being scheduled for November 2019, in Lee County Florida, USA. Lee County includes the Fort Meyers - Sanibel Island region on the west coast of Florida.

A significant sponsorship agreement between Lee County and the IHCA was solidified last week, and it will pave the way in finalising this historic event.

The event information will be accessible on the International Hobie Class Association (hobieclass.com) and the Hobie 16 Worlds (hobieworlds.com) websites. The website will contain the dates, location, host accommodation, and other relevant details of the event.

The IHCA has worked hard on securing the event and is proud to announce its return to the USA after 35 years.

Please stay tuned for further details on the 22nd Hobie 16 World Championships.

Rich McVeigh
President
International Hobie Class Association
